Honoring Our Past While Embracing Expansion

Presidential Term: 2019

My favorite color: various shades of blue. Blue makes me think of the earth, sky, and ocean.

If I could have any superpower it would be teleportation.

My favorite aroma: lavender.

One movie I never get tired of watching is: St. Elmo's Fire.

One thing I always wanted to learn: to play the bass guitar.

My favorite snack food: potato chips.

If I were going to karaoke, I would be singing: *I Will Survive*.

This book had a profound impact on me: "The Lacuna" by Barbara Kingsolver.

Great advice I once received: "don't sweat the small stuff."

What I love most about LACPA: The amazing professionals I have met and the friendships I have made!

Dr. Leticia Amick, I appreciate you!
