Honoring Our Past While Embracing Expansion

Presidential Term: 2023

My favorite color is sage green. It reminds me of calm, nature, and the herbs my mom used to make tea.

If I could have any superpower it would be to be able to fly.

My favorite aroma:
I love the eucalyptus aroma. It feels refreshing and peaceful to me.

Two movies I never get tired of watching are: *A Beautiful Mind* & *Mulan* (with my kids).

One thing I always wanted to learn is how to play the piano.

My favorite snack food:
cheese

If I were going to karaoke, I would be singing "Chega de Saudade" by Vinicius de Moraes.

This book had a profound impact on me: *The Prophet* by Khalil Gibran

The best advice I ever received was to believe in myself and never be afraid to ask questions.

What I love most about LACPA: having a professional family and the colleagues I've grown to know and trust over the years.

Dr. Miriam Hamideh,
I appreciate you!
