PAST PRESIDENT SPOTLIGHT

Dr. Karin S. Hart

Honoring Our Past While Embracing Expansion

Presidential Term: 2007

My favorite color is blue. It signifies calmness, truth, divine connection, and wisdom. It also represents the vastness of the sky and the ocean, symbolizes peace & stability, and is linked to higher consciousness & spiritual protection across cultures.

If I could have any superpower, it would be having synesthesia. This would foster enhanced memory, high creativity, unique perceptions, and extrasensory associations.

My favorite aroma? Pine trees, unquestionably.

One movie I never get tired of watching is *The Sound of Music.*

One thing I have always wanted to learn is speed reading.

My favorite snack: fresh from the oven roasted hazelnuts (dipped in melted chocolate if I feel like being decadent).

If I were going to karaoke, I would be singing “Happy” by Pharrell Williams.

This book had a profound impact on me: *Man's Search for Meaning* by Viktor Frankl.

Great advice I once received was to “know thyself,” as “the unexamined life is not worth living” (Socrates).

What I love most about LACPA: connection.

Dr. Karin S. Hart,
I appreciate you!
