PAST PRESIDENT SPOTLIGHT

Dr. Lauren Muhlheim

Honoring Our Past While Embracing Expansion

Presidential Term: 2021-2022

My favorite color is purple.

If I could have any superpower it would be flying.

My favorite aromas are: vanilla & lavender

One movie I never get tired of watching is: *Seems Like Old Times.*

One thing I always wanted to learn is to be able to surf.

My favorite snack food: smoked gouda cheese

If I were going to karaoke, I probably wouldn't be singing.

No book had a profound impact on me, as I am sad to say I don't read much.

The best advice I received was my mother encouraging me to become a psychologist because I would have flexibility in my career and would be able to balance both family and career.

What I love most about LACPA: the people!

Dr. Lauren Mulheim,
I appreciate you!
